WHAT TREATMENT OPTIONS DOES THE MANLY SKIN CANCER CLINIC OFFER?

If you need treatments for a skin cancer then the treatment options will depend on the type of skin cancer you have and its severity.

Potential treatments will be discussed with you by your Manly Skin Cancer Clinic doctor. Treatments can include surgery and non-surgical treatment.

Remember that early detection generally requires less intervention, and often leads to a better outcome.

HOW MUCH DOES THE SKIN CANCER CLINIC COST?

Services provided by SSMC are privately billed. Your first appointments will last approximately 20 minutes and are charged at $155.00

All fees are eligible for a partial rebate from Medicare, provided that you have a valid Medicare card. Your claim for a rebate can be submitted for you by our reception team. If you are eligible, you will receive a Medicare rebate of $43.90 for your first consult.

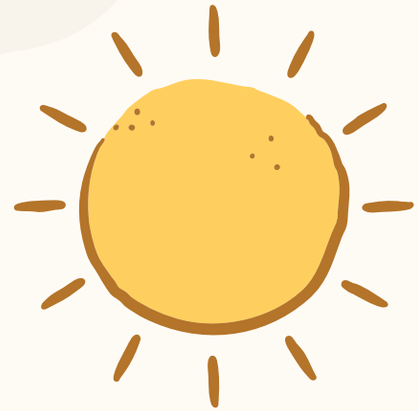

Where you require any further treatments or procedures, your skin cancer doctor will discuss the further fees for these treatments and procedures with you directly.

WHAT IS THE MANLY SKIN CANCER CLINIC?

The Manly Skin Cancer Clinic is a service dedicated to the detection and treatment of skin cancers.

Regular skin examinations and monitoring of existing skin lesions can drastically improve chances of early diagnosis and the successful treatment of skin cancers.

The skin cancer doctors at the clinic have advanced training in skin cancer medicine, and with no referral necessary, you can be checked for potentially dangerous skin cancers and melanoma.

WHAT IS A STANDARD MANLY SKIN CANCER CLINIC CONSULTATION?

1. A standard Manly Skin Cancer Clinic appointment involves a full skin check. A standard appointment generally lasts 20 minutes.

2. If you need a follow-up treatment or surgery, this will be booked to take place at a subsequent appointment.

3. Remember, a full skin check requires you to get undressed to your underwear. **Please don't wear makeup, sunscreen, or moisturiser to your appointment.**
